

CAMPAIGN TO CARE FOR CAROLINA ORPHANS

Association Presses Movement for
"One Day's Income" Con-
tributions to Cause.

HAD GOOD RESULTS LAST YEAR

Movement Started to Establish
County Law and Order Leagues
for Purpose of Breaking Up Block-
ade Liquor Traffic in State.

(Special to the Times-Dispatch.)
RALEIGH, N. C., June 8.—In con-
nection with the determination of the
North Carolina Orphan Association to
continue with redoubled energy the
annual campaign for "one day's in-
come" donations at Thanksgiving Day
offerings by the people to the orphans
of their choice at the annual con-
ference just held here, Chairman M. L.
Shipman, of the publicity committee,
made an interesting report in which
he said the results of the last cam-
paign as reported, showed \$38,883 in-
creased revenue for nine of the or-
phanages in the State as follows: Bat-
tiste, \$19,825; Masonic, Oxford,
\$2,580; Presbyterian, \$1,843; Odd Fel-
lows Home, \$900; Christian, \$1,800;
Falcon Orphanage, \$600; Methodist
Protestant, \$500; Nazareth, Roman
Catholic, \$35. The other orphanages al-
lied with the association all reported
increased revenue due to the Thank-
sgiving campaign, but did not give de-
tailed figures.

The North Carolina Orphan Association
to-day elected Superintendent R. L.
Brown, of the Masonic Orphanage,
as president to succeed Rev. Zedak
Paris, who could not serve longer.
Other officers elected were J. R. Young,
vice-president; M. L. Shipman, secre-
tary-treasurer, and chairman publicity
committee.

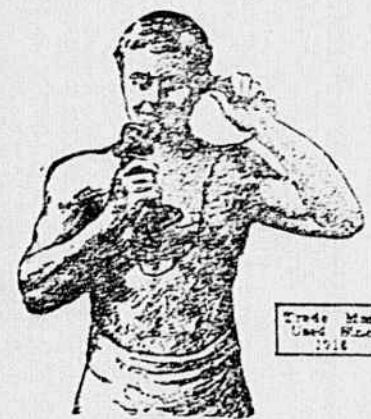

Resolutions were adopted urging the
legislature to enact marriage laws to
safeguard against degenerate diseases
and feeble-minded offspring.

STARTS WORK FOR COUNTY

LAW AND ORDER LEAGUES
Superintendent R. L. Davis, of the
North Carolina Anti-Saloon League, has
started the organization of county law
and order leagues with a view to bring-
ing about more effective suppression
of blockade distilleries. He finds that
the very high prices that this whiskey
commands in blind tiger sales, on which
distillers are now dependent to dis-
pose of their blunders, are causing very
great multiplication of blockade dis-
tilleries in those localities where the
law enforcement conditions are lax
enough to give the least bit of en-
couragement for blocking.

These law and order leagues are to
co-operate with the officers and infor-
mation as to distilleries can be given
to the league, and its officers will see
that the authorities are informed and
that the proper steps are taken to
break up the distillery. This is in-
tended to relieve individual citizens
from having to personally report to
officers.

NUX-IRON

TONIC With Paw-Paw Added THREE-POWERFUL FORCES IN ONE PUT UP IN LIQUID FORM

You can overeat, you can overdrink,
you can overlive, you can go "Over
the Top" and once again become a
strong, healthy, active member of so-
ciety—man or woman—if you will fol-
low the directions how to take the
Standard Nux-Iron Tonic.

If suffering from shattered nerves,
anemic conditions of the blood, men-
tal or physical depression and lack
the desire to accomplish what you
would like to do, if suffering from
indigestion or kindred troubles caused
through the after effects of a severe
cold or hacking cough or probably
from an attack of pneumonia or
pleurisy, get a bottle of Ironized Tonic
from your druggist, take it exactly
according to directions half an hour
before meals, one tablespoonful with
a little water added if desirable, but
not necessary. Continue this treat-
ment for a few days and you will find
that it seems to energize every fibre,
tissue and bone.

In your anxiety to get better quickly,
don't overdo it as many sufferers do,
and take larger doses of this standard
remedy. It will not act any faster
and you will not receive the same
benefits from its use you otherwise
would.

Nux-Iron Tonic has been favorably
known throughout the whole world for
the past 20 years. There is no guess-
work or necessity to praise its value—
thousands of people have done so. Go
where you will, Paw-Paw is known
and in presenting Nux-Iron Tonic
the addition being nux and iron we have
achieved an unparalleled success, as
the thousands of grateful testimonials
that come pouring in prove without doubt
to be conclusive proof.

There is no guesswork about these
statements, they come from your neigh-
bors from people you can go and see
and from people that you are bound
to believe.

Your druggist probably keeps it, but
if he doesn't it is sold in Richmond by
T. A. Miller Co., 515 East Broad Street;
Tragle Drug Co., 417 East Broad
Street; Grant Drug Co. (all branches).
Nux-Iron Tonic (liquid) has the for-
mula on every bottle. Mail orders
promptly attended to. Interstate Drug
Co., Inc., New York—Adv.
